Although you may not be feeling well or there could be instances of injuries at times, the presence of auspicious star averts the mishap, causing it to be less serious. Avoid consuming too much fried, oily or heaty foodstuffs.

In football, it counts for nothing if a team puts 5 goals into the opponent's net but lets in 6 goals at the back and loses the match eventually. A leaky defence reduces a goal scoring spree to naught. The Monkey should watch the expenditure in Pig Year 2019. Stem the bleed and stop the leak. Fortunately, the presence of lucky stars will minimise the negative impact and keeps you above the water.

### **Health 健康**

You may have taken all necessary safety precautions but still suffer misfortune due to others' carelessness or absent-mindedness. You may be a careful driver but others may not. Keep your eyes wide open and stay alert. When it comes to safety, it is okay to be paranoid sometimes. Watch what you eat and ensure personal hygiene. Stay fit and exercise regularly.

If we know that a storm is coming, it would be unwise to stay outdoors and go head on with the gusty wind and heavy downpour. Similarly, if things are not going your way or luck is not on your side, you should not be too fussy or picky in your work or job assignment. The Monkey should do more and talk less in Pig Year 2019.
